

To whom it may concern,

RE: Mr. Younes Abdallah Alturkey

I am writing this letter to give my highest possible recommendation for Mr. Younes Abdallah Alturkey. He is a very honest and hard-working student. He obtained the highest and excellent grade in Applied mathematics for computing (A+), Discrete structure, and other Computer Science subjects.

Mr. Younes Abdallah Alturkey is a very capable, intelligent, and pleasant person. His timekeeping is excellent. He has a unique ability to carry out both the theoretical investigation and practical implementation of the developed techniques. When he was studying his BSc (Computer Science) course in KAU, he contributed his excellent ideas throughout his all projects.

Mr. Younes Abdallah Alturkey has remarkable problem-solving ability. He has excellent written and verbal communication skills, and I consider him a person with a lot of self-confidence. When he was studying his BSc (Computer Science) course in KAU, he contributed his excellent ideas throughout his class and final senior projects. His attitude towards his colleagues is cooperative and congenial.

With all the above qualities, I would strongly recommend Mr. Younes Abdallah Alturkey for higher studies at your esteemed university. If any further clarification is needed, please feel free to contact me anytime.

Sincerely,

Dr. Vijey Thayanathan (Professor)
Computer Science Department,
Faculty of Computing and Information Technology (FCIT),
King Abdul-Aziz University (KAU)
